

SOCIAL MIRROR ADS

LOCAL ONLINE PRESENCE MARKETING ADVERTISING

INTRODUCING SOCIAL MIRROR ADS!

Now you can grow your social presence while driving high quality traffic to your website!

Social Mirror ads look like your social media display or video posts but appear on other websites and apps, linking back to the social media platform and your website, and run across all devices using our targeting strategies.

HOW DO I TARGET MY SOCIAL MIRROR ADS?

You tell us the geographic area you want to reach and then we layer in our targeting strategies. We can target based on user behaviors or a list of high value keywords. We can also use artificial intelligence to optimize towards conversions. We can even use retargeting to invite website visitors back to complete their conversions.

MONTHLY INVESTMENTS STARTING AT \$1,500!

Get an average minimum of 100,000 impressions per month. Ad spend includes management fee. Performance tracked and reported monthly to prove the ROAS.
