

Client

Dominion's main goal was to improve their online presence and we executed a variety of digital strategies to boost multiple service areas across different locations.

Goals & Actions

Dominion needed a comprehensive marketing plan to establish an online presence. We did this for them by utilizing our Local Online Presence Package, Search Engine Optimization package, and Paid Search with Google Ads.

We Launched

Over the last 2 Years of working together we have been able to help Dominion Care achieve their goal of enhancing and establishing their online presence with our unique marketing strategy for them. Take a look at the stats below:
